Managing Users

For Administrators
Los Angeles Pier 400 APM Terminal

APM TERMINALS
Lifting Global Trade

Create a New User

Log in to PayCargo.
https://app.paycargo.com/

After logging in, from the dashboard, select the Gear icon at the top right.
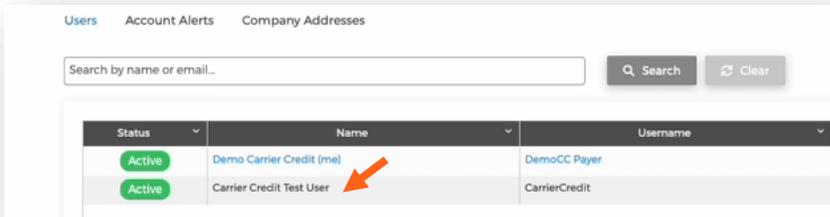

Click on Configuration.

On the popup window enter the User Information and select Save.

To Manage a User Account

Navigate to the Configuration page by the Gear icon at the top right. Then select the User Name

At the bottom of the User Window, you may set permissions, alerts, or deactivate the User.
